Previously looked after children are children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after.

² Supplementary Information Forms must be returned to the college by the closing date for applications, to be considered in applying the admission criteria. **The closing date for applications is that published by Essex LA for their coordinated admissions.** Examples of 'equivalent proof' include a letter signed by the relevant Parish Priest / Minister of Religion – further information can be obtained by contacting the College's Admissions Officer admissions@stbenedicts.essex.sch.uk

In each of the above categories a prior preference will be given to those children who, at the time of application, have an older sibling attending the College in years 7 to 10. Sibling is defined as children who live as brother or sister, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters irrespective of place of residence.

Shortest straight-line distance from the College to the home address (measured using the Local Authority's Geographical Information System) will be used as a tiebreak when determining priority within any single category.

Where applications are for September admission to Year 7, **180** candidates will be offered places and a waiting list will be operated in strict accordance with the admissions criteria. Any applications received after the closing date will be added to the waiting list at the appropriate place in accordance with the admissions criteria, if the LA determine that they could not reasonably have applied by the closing date. The waiting list will be held until the end of the Summer Term

For mid-year applications a supplementary information form must be completed and candidates will be considered in accordance with the admissions criteria up to a maximum of 180. A waiting list may be held and applicants will be added at the appropriate place in accordance with the admissions criteria. Names are normally removed from the list after 3 months and a new application must be made if the place is still wanted. Applications should be sent directly to St Benedict's College using the mid-year application form which can be obtained from Essex admissions website (www.essex.gov.uk/admissions) or by emailing admissions@stbenedicts.essex.sch.uk

Statutory right of appeal: Where applicants are refused a place at the college, the letter of refusal will detail their right to appeal to an independent panel.
